## CURRENT EMPLOYMENT OPPORTUNITY

### Engineering Manager

Vigilante Electric Cooperative, Inc. headquartered in Dillon, MT, has an immediate opening for an Engineering Manager. The position requires a BSEE degree from an accredited university and a Montana PE license or the ability to acquire the MT PE license within six months. Supervisory experience in excess of three years is required. Knowledge of Aclara TWACS metering, Futura mapping and NISC and Milsoft software is also strongly preferred. Thorough knowledge of current NESC requirements and RUS 12.47kV, 24.9kV and 69kV Standards and construction practices is required. Position is a part of the senior staff and reports directly to the General Manager. Pay is based on experience. Please contact Rollie Miller, General Manager, at (406) 683-2327 for questions or a complete job description. Submittals for the position will be accepted until the position is filled and can be emailed to [Rollie@vec.coop](mailto:Rollie@vec.coop). VEC is an equal opportunity employer.
